

Bright Coffee Shop

Bright Coffee Shop captures daily transactional information from its chain of coffee stores. The objective of the business spearheaded by the newly appointed CEO is to grow the company's revenue and improve product performance.

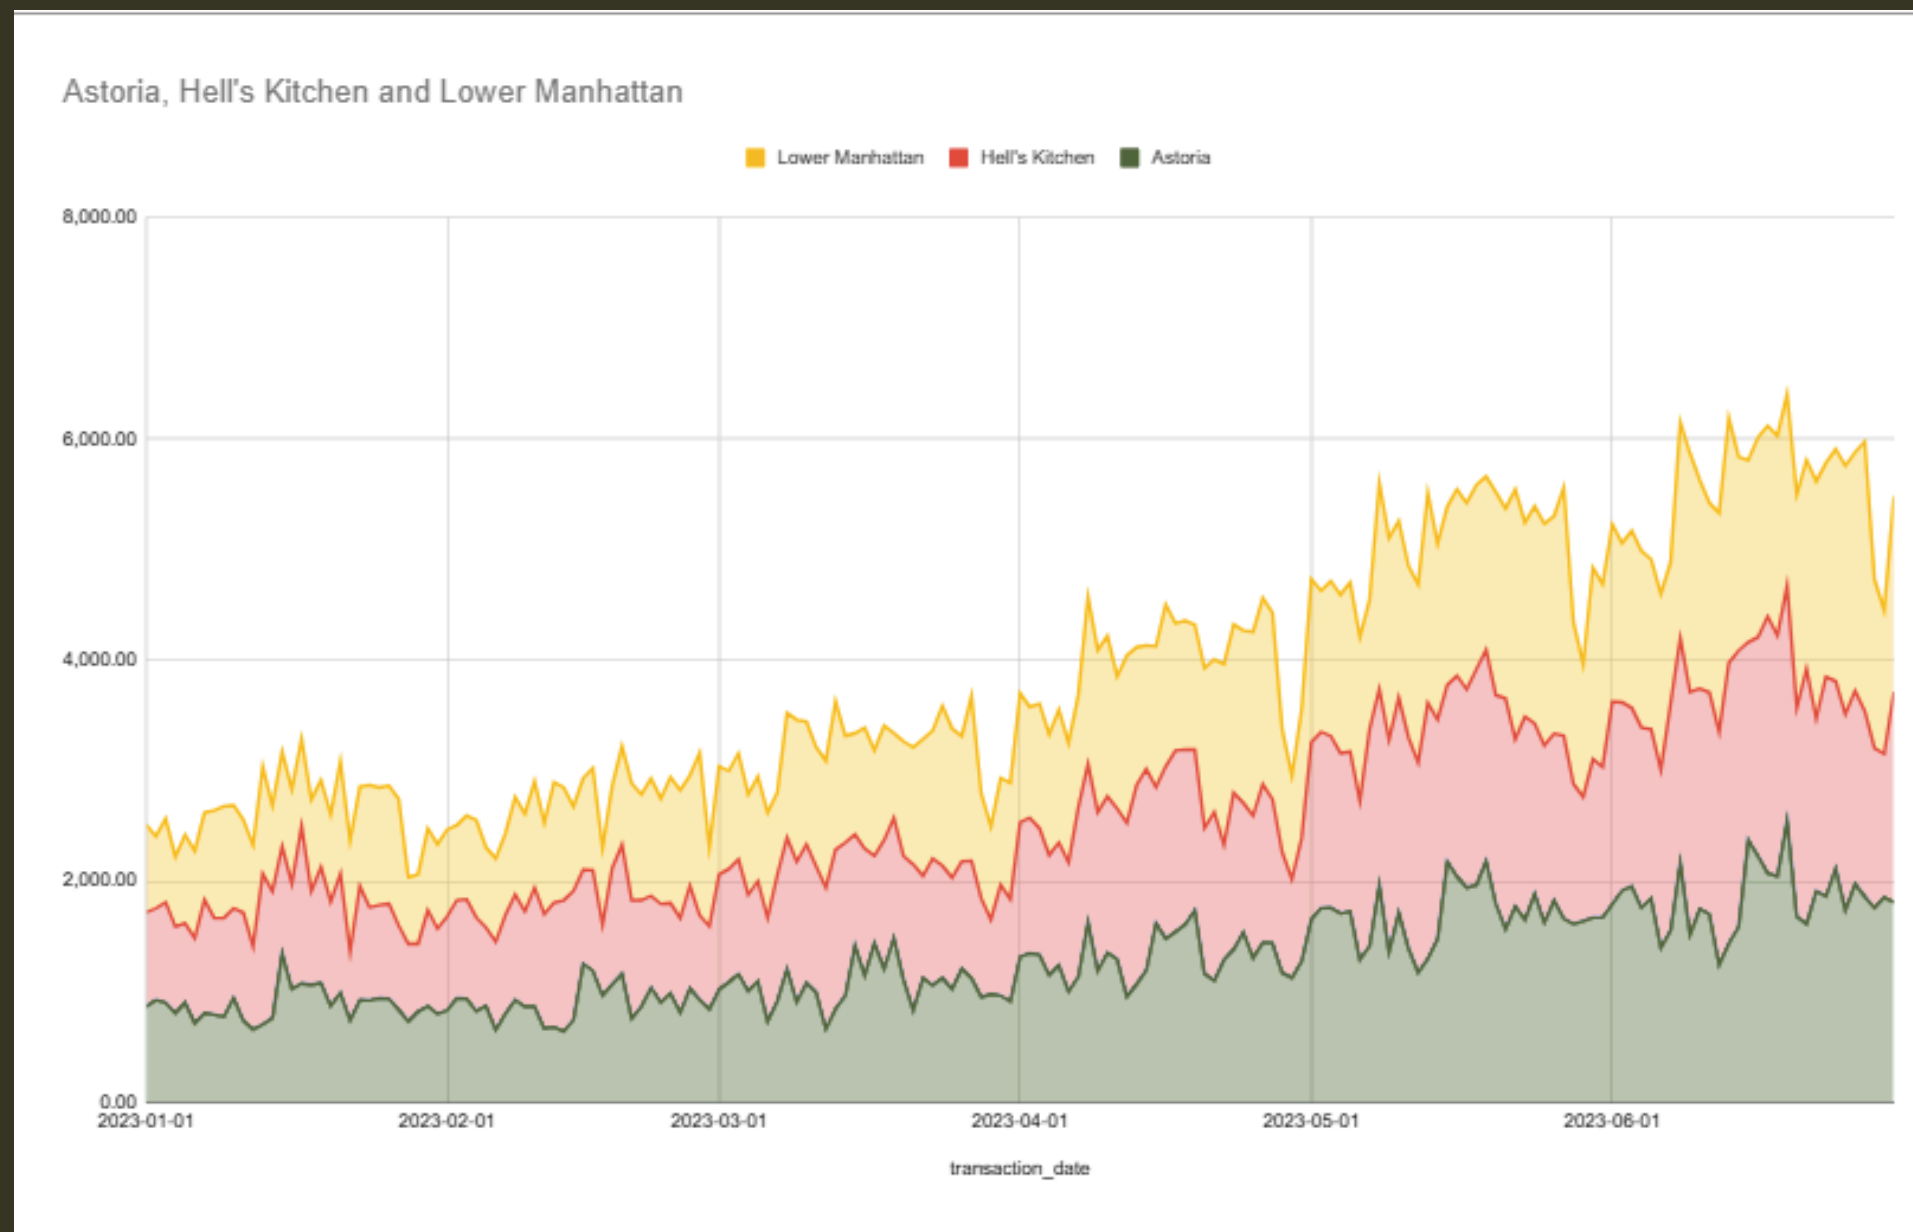

Table of contents

- Revenue per store location
- Revenue by product category
- Revenue by product type
- Revenue by time
- Revenue by Day
- Revenue by Spender
- Total Sales by Store

A close-up, side-profile photograph of a person with dark hair drinking from a dark, textured ceramic cup. The person's face is partially visible, and their hands are holding the cup. The background is blurred, showing a white surface and some indistinct shapes. The overall lighting is warm and soft.
